<b>Venue:</b>	AdvanceNet St Peters Square, Waterford Place, Paulshof, South Africa	

11.04.2013

Hi Ray

I wanted to thank you again for the presentation this morning.

In my years in the sales industry, I have attended numerous sales focused seminars before, as well as read many books to improve sales motivation and passion, but NEVER before have I walked away with such a practical and simple approach to achieving the desired results.

Your approach to Goal Setting has been invaluable to me.

Thank you!

**Sue Nesbitt**
