Mr Ray Patterson

Dear Ray,

Just a quick note to say that our conference attendees enjoyed not only your message, but also the humorous and real life way in which it was delivered. Your skill and talent as a professional speaker is evident. By mixing humour with serious topics and talking with the audience instead of to the audience you kept everyone involved. It was a great session!

Thank you for sharing your time, your knowledge and your sense of humor.

Best regards

A handwritten signature in black ink, appearing to be "Eddie Collins", written over a circular scribble. The signature is fluid and extends to the right.
